

P400 DTM PRIMER-SEALER

3.5 Litre

1 Litre

PART# P400-3.5 | 3.5 Litre | CASE QTY 2
PART# P400-1 | 1 Litre | CASE QTY 6

Toucan Refinishes DTM Primer - Sealer P400 is a very versatile primer that allows painters to use it as a primer-filler, a primer-sealer, or a full wet-on-wet sealer. This is achieved by simply increasing or decreasing the reducer depending on what they want to achieve.
