

P401 DTM PRIMER-SEALER LV

PART# P401-3.5 | 3.5 Litre | CASE QTY 2

Toucan Refinishes DTM Primer - Sealer LV P401 is a very versatile Low VOC primer that allows painters to use it as a primer-filler, a primer-sealer, or a full wet-on-wet sealer. This is achieved by simply increasing or decreasing the reducer depending on what they want to achieve.
